

GIC INDUSTRIAL COMPONENTS LLP

Manufacturers of precision machined & cold forged metal components

We Try Harder...

GIC/HR/F 11-E

REV 01 | Revised: 25-10-2025

ENVIRONMENT, HEALTH & SAFETY POLICY

We, manufacturers of Precision Machined Components and Assemblies are committed to protect Environment, Occupational Health and Safety through our product and processes. We endeavour to...

- Comply with all applicable Environment, Health and Safety legislation and other requirements related to it.
- Conserve resources such as Soil, Power, Water and Oil.
- Minimize waste and follow proper disposal of waste generated.
- Identify, eliminate or reduce and control hazardous substances and processes which harm the planet.
- Provide healthier and safe working environment through monitoring of unsafe acts and hygiene.
- Nurture environmental, health and safety & eco-friendly culture in the organization.
- Provide necessary training and education to all employees and persons working for and on behalf of us.
- Establish and meet Environment, Health and Safety targets and objectives through constant adherence to Environment, Health and Safety management system requirements and continual improvement.
- Maintain good housekeeping helping in conserving resources and reducing pollution.

At We are committed ethically, financially and personally to a working environment where no one gets hurt and nothing gets harmed.
